Chris Keidel was present to represent Ragin Cajun at **210 W. Third St.** Chris presented pictures of the building with sign board, columns and trim already completed. He would also like to add black metal balusters across the front of the building under the sign board. He presented plans to install a sign to the right of the front door. It will be in the shape of a starburst 59" wide. The middle will be black with red 12" letters made out of steel across the middle spelling out Ragin Cajun. The starbursts will be aged wood with dry brushed red, yellow and orange. These colors will not be solid color, just streaked to get the starburst effect. Under the Ragin Cajun letters, there will be white ceramic letters between 2" and 4.5" spelling out Piano Bar. There is a spotlight that will shine down onto the sign.

Carolyn Dooley made a motion, seconded by Gen Gearing that the changes that have already been made, including signboard, embellishments and trim, and columns be approved. The motion passed.

Ruby Blair made a motion, seconded by Mike Doucleff that plans be approved as presented for the balusters and sign. The motion passed.
