

## NOTICE OF PUBLIC HEARING

Notice is hereby given that the Zoning Board of Appeals of the City of Alton, Illinois, will hold a public hearing at Alton City Council Chambers, 101 E. Third Street, Alton, Illinois, on Wednesday, August 4, 2010, at 9:30 a.m.:

In particular, Michael Hammerbacher, is requesting a zoning variance with regard to the setback requirement pursuant to Section 11-5-3 of the Alton City Code requiring a total 5' setback from the property line to build an attached carport on property located at 2629 Plainview, Alton, Illinois. The proposed carport would allow me to set my piers at the property line, thus encroaching on my neighbor, which he is fine with. Public comments should be directed to the Department of Building and Zoning at Alton City Hall, 101 E. Third Street, Room 202, Alton, Illinois.

You are hereby notified that all persons interested in said amendments may attend the public hearing at the time and place aforementioned and will be afforded an opportunity to be heard.
